At the May 10 Industry Appreciation Dinner, this year's \$1,000 scholarship was awarded to Mary Beth Robbins, a senior at Lake Forest High School in Felton, DE. She is also enrolled in college-level courses at Delaware Technical and Community College. Mary Beth will be attending University of Tennessee in the fall, studying in the college's architecture program. She also plans to minor in interior design

"I knew the NAWIC scholarship was such a unique program that could definitely support me through my studies in school and my career objectives," Mary Beth said.
