CHAPTER #96 NEWS & ANNOUNCEMENTS

May Meeting Recap - Industry Appreciation

On May 9, the chapter celebrated its annual Industry Appreciation dinner at Ed Oliver Golf Club. We had celebrations galore! Long-time members Sallie Ann Conner of Schneider Trailer & Container Rental, Leah Curran of Tri-Supply & Equipment, and Gladys King of J&G Building Group were presented with pins. Sallie Ann was also our 2017 Construction Woman of the Year. Safety Awards were presented to Bancroft Construction, Hatzel & Buehler, and Wohlsen Construction. Our local Block Kids winner, fifth grader Drew Smalling, found out that he had also won first place in the regional competition and third place nationally. Our guest speaker was Priscilla Rakestraw, Development Director for the Ministry of Caring. We thank those of you who were able to attend, and those of you who helped to sponsor the event. We would not have any of the above successes without YOU - OUR MEMBERS!!
