

COMMITTEE REPORTS

President's Welcome - Leah Curran

Congratulations to our newly inducted officers and directors! I am honored to be working with you this year! Many of you already know, but in case you don't, NAWIC's core purpose is to enhance the success of women in the construction industry. Our chapter leadership is already working hard to develop programs and events that furthers our core purpose. I think you'll be pleased to see what our chapter has to offer throughout the year. Our board and committee chairs are a phenomenal group of women mixed with young talent and long-time members, all of which who are working hard to successfully carry out our Association's core purpose. We want you to get the most out of your NAWIC membership! The first member meeting of the year is October 11th, so mark your calendars now! Hope to see you there!

Best,
Leah Curran
